Prayer For The Harvest

Most gracious God, according to your wisdom the seasons bestow their varied blessings upon your people. We praise you for the time of harvest, for the fertility of the soil, for the gathering of crops, and for all your blessings. Guide and protect those out in the fields, as well as those who prepare vital nourishment for the hard work of these days. Remind us all of your providential care for the world you have made, and indeed your whole creation. Amen.

What's Happening at Crossfield United this Sunday?
